16th October 2026

Kim O'Shea-Hard
Principal

This weekend, the Catholic Parish of Bundaberg celebrates a very special milestone, its **150th Anniversary**. It is an opportunity to pause and give thanks for the faith, commitment and service of the generations who have helped shape our Catholic community.

Our own story at St Patrick's is closely connected to the story of the Parish. Catholic education in Bundaberg grew from this faith community, beginning with the establishment of St Joseph's and, in time, St Patrick's and the other Catholic schools that now serve families across Bundaberg.

Today, our Catholic schools continue to play an important role in the life of the Parish, just as the Parish continues to support and nurture the faith formation of our students, staff and families. It is a relationship built on faith, service, belonging and a shared commitment to ensuring that our Catholic story continues for generations to come.

As part of the **150th Anniversary celebrations**, a number of special events will be held across the weekend. We warmly invite our St Patrick's families to be part of this significant moment in the life of our Catholic community.

Further details about the weekend's celebrations can be found below with all catered events requiring an RSVP.

Mission Month

We warmly invite all families, parishioners and friends to join us for our **Mission Month Mass on Monday 19 October**. As a Catholic community, gathering for Mass is where our mission is renewed: we listen to God's Word, we pray for the needs of the world, and we are sent out to live what we have celebrated.

When we look at Jesus, we see what mission looks like in real life. Jesus paid attention to people others ignored. He listened, healed, forgave, and restored people to community. He spoke with honesty and compassion. He challenged unfairness. He taught that God's love is for everyone, particularly those who are poor, burdened, or treated as if they do not matter. In other words, Jesus didn't only talk about God's love—he showed it, day after day, in the way he treated people.

At St Patrick's, we are proud to join the Church's call to action during Mission Month by once again supporting the Socktober Campaign, an initiative of Catholic Mission. In 2026, our focus is on standing in solidarity with children and families in **Malawi**, who face significant challenges in daily life.

Malawi, known as the "Warm Heart of Africa," is a country rich in culture, resilience, and breathtaking natural beauty. From the shores of Lake Malawi to the rolling highlands and vibrant communities, Malawi is home to people of remarkable strength and hope. In recent years, however, Malawi has faced severe hardship. Devastating floods have destroyed homes, farmland, and entire communities, forcing thousands of families to flee. Migration into already crowded areas has placed overwhelming pressure on food supplies, schools, healthcare, and employment opportunities. For many families, daily life has become a constant struggle for survival (<https://www.socktober.org.au/about/malawi>).

To raise awareness and funds for this important cause, our school community will hold Odd Sock Day, run by Mini Vinnies, on Friday 23 October. Students and staff are invited to wear mismatched and colourful socks — a fun and visible way to shine a light on the serious everyday pressures experienced by vulnerable communities.

Socktober invites us to think globally and act locally. As we learn about life in Malawi, students are encouraged to recognise that our lives are connected, and that solidarity becomes real when we choose not to be indifferent, but to respond with sharing and practical care. Funds raised through our Odd Sock Day will support Catholic Mission's work with communities in Malawi.

Socktober is a simple, joyful way for our students to act on the Gospel by choosing generosity, noticing the needs of others, and standing in solidarity with children and communities experiencing poverty. As the Church reminds us, we're not meant to stay on the sidelines. We're invited to "get our hands dirty" in building the common good, placing God at the forefront and the human person at the centre of our choices. Socktober helps us do exactly that—through prayer, learning, and practical action that makes a real difference.

Thank you for your continued support of Mission Month and Socktober. Together, we are making a difference — one silly sock at a time.
