## PRINCIPAL'S NEWS

7th June 2019

Our Junior Athletics carnival last Friday was such a great way to end our week. We had a huge turnout of parents, and it made the day so special for our younger students.

This week also had plenty to offer. On Monday and Tuesday, we had a specialist in Maths work with our children and on Wednesday we were joined by the leadership team from Good Shepherd school in Brisbane. Good Shepherd are a leading school community from whom our staff have learned a great deal and it was wonderfully informing and affirming to further share our learning journey with them. Thursday and Friday have seen our top athletes compete in district athletics and their efforts and behaviour have done us all proud.

Thursday we also conducted a Performance Appraisal with our Assistant to the Principal Religious Education, Tracey Cook. Not surprisingly to all those who know her, Tracey's was an extremely positive review. In working through the process, it was very obvious that the essence of Tracey's role is not to perform tasks. Rather what we ask of Tracey, is to share in our lives. Students, parents and students alike look to Tracey for acceptance, guidance and support, particularly when things are challenging.

In doing her role so well, Tracey challenges us all to do the same. We are asked to go beyond our role description, and to engage in the lives of our school community. In Prayer this week, Year 2C challenged us all to love like Jesus did. Living in, and as a Faith community is a tremendous challenge. The leadership and effort portrayed by Tracey and our whole staff really is unique, and clearly makes our school something very special that all of us, students, staff and parents want to be a part of. In St Patrick's, we are really lucky to have people in our lives who will guide, support and inspire us to be our best selves.

### Parking on Mulgrave Street

Please be very conscious of our neighbours if parking on Mulgrave Street at 3:00. It is very frustrating for all concerned if people park across driveways and home owners cannot get in or out of their residence. I fully expect some residents will begin to get photos of number plates and call the council and/or police, causing grief for us all.

**Here's the hot tip. Arrange to come through the Pick Up Zone just after 3:10. At that time the bottle-neck of early arrivers has cleared, and all kids have had time to get themselves to the Pick Up Zone. You'll get nearly straight through.**

### Free Parent Night with Samuel Johnson Shalom College 13 June 7-8pm.

Samuel Johnson is a well-known Australian Actor and a recent winner of 'Dancing with the Stars'. Many of you will know of his story to support his sister Connie and he is in town for a fund raising dinner for 'Love Your Sister' which raises money for Cancer research.

## APRE NEWS—PENTACOST AND MASS WITH CHILDREN

This Sunday marks the 'birthday' of our Church. Pentecost signifies the end of the Easter Season and is the time that Jesus left us the gift of the Holy Spirit, it is written that the Holy Spirit descended to the Apostles and The Virgin Mary.

To celebrate the Parish is holding a **Mass with Children** this Sunday, June 9, 5.30pm at Holy Rosary. Masses with children as just lovely; with all of the songs, scripture and responses geared toward children. If your child is interested in being in the Choir for this Mass please let Mrs Cook know. We would love to see as many of our students there as possible.
