## PRINCIPAL'S NEWS

4 September 2020

Dear Parents

Fathers' Day has a slightly different perspective for me this year. My own son and his wife are expecting their first child and I have been enjoying being a part of their journey from being a couple to becoming parents. The dreams, the feeling, the plans we had for our son are now repeated as he in turn prepares for the role of father. It's his turn to prepare to provide for, protect, nurture and educate his own child. At the end of the day, our role as parents is exactly that. We prepare our child for life, so that eventually they will leave our home, make their own way in the world and lead a family of their own.

When parents trusted us with their children for the Year 5 Camp this week, that was a part of that very process. Difficult as it can be, over time we need our children to learn to live independently of us. They need to learn to solve their own problems, manage their own emotions, and take responsibility for their own actions and decisions.

I really admire the way our teachers supported our students through this on camp. Mrs Modolo, Ms Cameron, Mr Plumb and Mrs Hammermeister simply did an amazing job. Our students, as they always have, made us very proud with their manners, their behaviour and their character. We are very fortunate to have so many generous staff, prepared to give up their own time, to support our children's learning and growth.

### Congratulations Cathy Wilson

While Mrs Hammermeister and I were on Camp this week, Mrs Cathy Wilson took on the role of Acting Principal. We all know she enjoys a challenge and that she is extremely capable and competent.

What you won't know, is that Mrs Wilson has also determined to challenge herself further again. She has applied for, and been accepted into, the Doctor of Medicine program at the University of Sydney commencing in 2021.

All of us have been in awe of Cathy's ability as a self-motivated learner along with her drive, capacity for, and love of learning. Her intelligence, character, humanity and determination will see her become an amazing doctor.

There will be time for our community to thank Mrs Wilson, and to contemplate the implications for our school. For now though, I think we just celebrate her 'awesomeness', commend her on the honour of having been accepted to study medicine, recognize the courage shown in taking this on, and applaud her willingness to support and care for others in a new and very special way.

*Mark For*

### *Bundaberg School Rugby League Competition*

Yesterday, St Patrick's nominated two Year 6 cricket teams in the Bundaberg Cricket Blast School Cup. Both teams had a great day, enjoying the competition against other Bundaberg schools. Congratulations to both teams on the sportsmanship, effort and behaviour displayed by all students who represented our school at this event.

The girls' team were successful in winning the 2020 Cricket Blast School Cup in the final against Woongarra. A great result for the girls who have had very limited experience in the game of cricket.

Thank you to Mr Plumb and Mr Peebles for your management of our teams during competition and training, as well as umpiring the games on the day. Your efforts are very much appreciated.

### *Bundaberg School Rugby League Competition*

The St Patrick's Shamrocks Rugby League team defeated Avoca 24-4 in the Semi-Final of the Bundaberg School Rugby League A Division competition and will now play Woongarra on Monday, 14 September at 4:15 in the Grand Final. Go St Pat's!

## OUT AND ABOUT
