

## PRINCIPAL'S NEWS

17th June 2022

You will find as you get older that it seems one minute you are at 21<sup>st</sup> birthdays and weddings and the next you are attending 60<sup>th</sup> birthday celebrations. Recently I was privileged to attend the 60<sup>th</sup> birthday party of a close friend. It was very informal, but his mother who will soon turn 90, gave a beautiful tribute to her son and her love for him through his sixty years. In his response, he spoke of how he had learned about 'unconditional love' from his mother and how this in turn allowed him to love and be loved in the same way.

At times, all of our kids are going to make poor choices. That's OK. As parents, we just need to ensure they acknowledge the mistake, fix it with the people who were harmed by that choice and work out a better plan for going forward. We need to parent, it is vitally important, but nowhere in this should we make them feel unloved. Love is not something they need to earn or something that a parent could withdraw. It must be unconditional.

I read recently that our kids don't need critics – they need role models. The power and influence of good role models is immense and as parents we have a huge responsibility to teach kids about love. With school holidays coming up, make time for your family. Put the devices away, and connect with people instead. It will make a huge difference.

I'm sure we will see many of you at our Sporting Carnivals next week, and if we don't, we look forward to seeing you in Term 3.

### Belle Maule

Belle will be an extraordinary teacher. She is leaving our staff to study further in Brisbane over the holidays. In thanking her and wishing her all the best, we'd desperately love to see her come back and join us as a teacher on staff at some time in the future.

*Mark For*

Coffee and light refreshments  
available on the day at the  
Tuckshop

## Snacks

Gingerbread man

Popcorn

Red Rock Deli Chips

Ovalteenies

Jelly cup

## SPORTS NEWS—RUGBY LEAGUE

Last week both our school teams were lucky enough to participate in the Grand Final Night at Salters Oval. The U11 team made up of boys and girls from Grades 4, 5 and 6 defeated St Mary's 28 - 4 and the Grade 6 team edged out North Bundaberg State School 28 -14. It was a great end to the season which saw many children play for the first time. A huge thank you to all supporters who watched the Grand Finals as well as attending our Friday afternoon games throughout the season.

The school was fortunate to have a visit by several Brisbane Broncos legends in Michael Hancock, David Staggs and Casey McGuire who conducted a session with many of our students. We appreciated their time and admired their focus on effort, something that we hold as very special at St Patrick's.

# SCHOOL PHOTO DAY

## St Patrick's Catholic Primary School

Day of Photography

**18/07/2022**

1. Please wear your full school uniform
2. Please place your order online before the day of photography  
- Go to **www.advancedlife.com.au** and enter this code:  
**K5C 1GB PD7**
3. Payment can be made using Visa, Mastercard, PayPal or Latitude Pay
4. If you are unable to order online, please hand your completed order envelope directly to the photographers on the day of photography

If you have any queries concerning school photographs and ordering, please contact **advancedlife** directly:  
**www.advancedlife.com.au/contact**

**advancedlife**  
school photography & print specialists

### **IMPORTANT - "NOT FOR PUBLICATION" STUDENTS**

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.

## COVID-19 UPDATE

St Patrick's Catholic Primary School wishes to advise you that, during the past week, we have been notified of positive cases of COVID-19 in our school community.

St Patrick's Catholic Primary School regularly consults with the Catholic Education Office and relevant authorities and continues to follow the advice of Queensland Health regarding cleaning requirements.

Queensland Health has advised that no quarantine of students or staff is required as a result of school based contact.

As COVID-19 remains active in our community we ask you to continue to monitor your child's/ children's health and if they develop any flu-like symptoms:

- Keep your child/children at home
- Seek a PCR or Rapid Antigen test where it is recommended and notify the school of positive results.
- Follow the advice of Queensland Health

As we continue to navigate the pandemic, please remind your child/ren to:

- maintain good hand hygiene at all times
- cover coughs and sneezes with a tissue or the inside of their elbow and dispose of tissues in the bin immediately.
- practice social distancing from others where possible
- wear masks when required

We will continue to work closely with health authorities to keep our school community informed of any developments and advice. Thank you once again for your ongoing support.

## FLU AND INFLUENZA ADVICE

As you are aware every year Queensland experiences an influenza or flu season. Qld Health has advised that it has recorded an increase in the number of influenza notifications. Therefore, is timely to remind parents and care-givers not to be complacent about the flu.

Flu is a virus more serious than the common cold and can be spread through talking, coughing and sneezing. Symptoms include sudden fever, dry cough, muscle aches and pains, fatigue, headache, sore throat and a stuffy or runny nose.

If your child has flu-like symptoms, the following is advised:

- Keep your child home from school
- Ensure your child washes their hands regularly with soap and water or sanitiser gel
- Encourage your children when coughing or sneezing, to cover their mouth and nose with disposable tissues which should be disposed of immediately
- Ensure they drink plenty of fluids and get lots of rest
- Consult your doctor if you are concerned about their symptoms.

The school requests that anyone displaying flu-like symptoms stay at home until such symptoms have passed. Families should also reinforce the recommended protective actions listed above. Increased awareness and ongoing attention to prevention and control measures, such as vaccination and good hygiene, are steps that we can all promote to reduce the impact of influenza.

# OUT AND ABOUT
